

**NKW
GROUP**

More than Industry Standards
Capability Statement

THE NKW GROUP

NKW Holdings Limited is an industrial solutions service provider. It is equally owned by three investment companies, each representing one of the three (3) major landowner clans at which the Hidden Valley Mining Project is situated.

As a landowner based company, our aim was to leverage on the business opportunities resulting from the establishment of the Mining Project. However, in recent years, and in order to ensure accessibility, and sustain the company outside of the mining project, the company has expanded and diversified its service offer throughout Papua New Guinea.

INDUSTRY-FOCUSED SERVICE SOLUTIONS

The NKW Group through its subsidiary companies,

- 1) NKW Management Services Limited
- 2) NKW Construction & Transport Limited
- 3) Mine Spec Limited

& various other joint ventures offer general and specialist services in all aspects of the service industry. Our highly professional and well qualified staff work in a team environment to assess, develop and implement service solutions that are based on a robust and flexible partnership strategy, *thus consistently ensuring present-time customer needs are met and opportunities for future business developments are easily attainable.*

OUR APPROACH

Our approach is simplicity & innovation:
